

BONNIE MONTROSE

Worthy book

Sir, - W.F. McHardy's book of poems and songs, 'Bonnie Montrose' is worthy of praise. There are good poets and not-so-good poets, and this man's poems are good.

They have rhythm and they rhyme and depict Montrose and the surrounding area in a couthy, clever way.

His descendants should be proud of him and of themselves for reproducing this little gem.

- Yours etc.,

Joan Christie
