A vet

I want tae be a vet.

Looking after aww the bonnie animals

fae wee mousies to awfa big coos.

I might hae tae help a crabbit, thrawn auld sheep

and be clarted wi mud upto ma ean.

I hope tae see lots of bonnie wee cats

as they are ma favourite craitur.

I hope I dinnae see muckle sleekit snakes

Slithering ben the room.

Fit a busy day I will hae working fae dawn to dusk

I will be fair wabbit at bedtime.
